Meet our specialists

MultiCare Orthopedics & Sports Medicine is composed of board-certified and sub-specialty fellowship-trained orthopedists who will partner with you in the care of your patients.

Robert Tamurian, MD

Robert Tamurian, MD, is a board-certified orthopedic surgeon who specializes in complex limb reconstruction and orthopedic oncology. Dr. Tamurian has special interest and expertise in minimally invasive total joint replacements, tissue sparing joint reconstruction, joint replacement revision, orthopedic oncology and robotic/ROSA knee replacement.

ARNP: Kimberley Marin

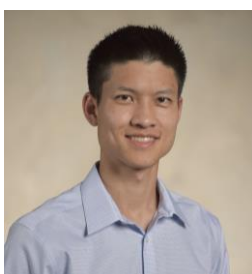

Zachary Adler, MD

Zachary Adler, MD, is a board-certified orthopedic surgeon who specializes in joint replacement and trauma surgeries.

In addition to diagnosing and treating fractures and other musculoskeletal injuries of the upper and lower extremities, Dr. Adler has clinical interests in primary and revision total hip and robotic/ROSA total knee replacements.

PA-C: Shane Turner

Joseph Shung, MD

Joseph Shung, MD, is a board-certified, fellowship-trained orthopedic surgeon specializing in hand and upper extremity surgery. He performs a wide spectrum of procedures, including carpal tunnel decompression, trigger finger release, fracture fixation, wrist arthroscopy and small joint arthroplasty.

Mason Platt, DO

Mason Platt, DO, is an orthopedic surgeon with fellowship training in sports medicine. His special interests include general orthopedics, arthroscopy and sports medicine. He has expertise in shoulder and knee reconstruction. In addition to his medical practice, Dr. Platt has served as team physician to high school, collegiate and professional teams.

PA-C: Sonja Brandstrom

**Mallory J. Schweitzer, DPM, MHA**

Mallory J. Schweitzer, DPM, MHA, is a fellowship-trained, board-certified surgical podiatrist who has extensive training in all aspects of foot and ankle surgery. Dr. Schweitzer strives to treat patients with nonsurgical modalities when possible.

**Jon Geffen, DO**

Jon Geffen, DO, is a fellowship-trained physiatrist specializing in spine and interventional pain management. Dr. Geffen also offers electromyography (EMG) to diagnose nerve dysfunction, muscle dysfunction or problems with nerve-to-muscle signal transmission.

**Joshua Purses, DO**

Joshua Purses, DO, is a board-certified sports medicine provider with special interests in regenerative medicine, including PRP injections, and sports-related concussions. He has been an active researcher in the field and has frequently been a speaker on sports-medicine-related topics both for community and academic audiences. He is also the medical provider for the OL Reign soccer team.
