## Serving patients throughout the South Sound

Since the moment we opened our doors in 1985, MultiCare Capital Medical Center has been on a mission to improve the lives of our community by providing high-quality patient care. Today, Capital Medical Center is a unique community-based health care system with a reputation for compassion and integrity.

From state-of-the-art hospital care to expert specialty care, trusted primary care and convenient urgent care, Capital Medical Center has Thurston County covered.

Primary care:

MultiCare primary care clinics focus on our patients' individual health needs, help them make informed decisions about their health and wellness and provide tools to assist patients in taking charge of their health. Visit [multicare.org/locations](http://multicare.org/locations) for details.
