

Health Information Management (Medical Records) Locations

4/30/26

The Health Information Management Department provides authorized requesters with copies of their medical records. The following departments are open Monday through Friday for patients to come in and request medical records. Before you come call our copy service, Datavant at 1-855-673-2673 for specific details on how to obtain your medical records. You may fax the completed forms to 253-333-2419.
